SITUATION AND DESCRIPTION

Exeter is a historic Cathedral City and is recognised as the administrative and commercial centre for the County of Devon. The premises are conveniently located on the Sowton Industrial Estate which is adjacent to junctions 29 and 30 of the M5 motorway. The area provides the one of the city's major business locations and occupiers within the vicinity include B&Q, Jewsons and Wickes. The Estate has recently benefited from an expansion on the Northern boundary in the form of the Exeter Business Park which provides a range of modern warehouse and office accommodation, together with the Met Office, Regus Business Centre and Ashfords Solicitors

Exeter benefits from ease of access to all main trunk roads including the M5 motorway (junctions 29, 30 and 31) and the A38/A380 to Plymouth and Torbay and the A30/A303 dual carriageways to Cornwall and London.

The property comprises a ground floor warehouse with front pedestrian and rear HGV loading via a full height loading door. Internally the space has been sub divided to provide ground floor offices on the front elevation and a small mezzanine level to the rear. Externally there is a shared rear service yard within which there are 4 allocated parking bays.
